# FOR IMMEDIATE RELEASE

---

**2011 (Syracuse, New York) – “Expanding our Vision”** P.W. Grosser Consulting, an Environmental Consulting and Engineering firm headquartered on Long Island, NY proudly announces the opening of its new branch office in Syracuse, New York. This strategic location will allow PWGC to better serve its expanding clientele throughout New York State.

The Syracuse branch will be headed by Martin Meriwether, PG, a native of New York’s Finger Lakes Region. Mr. Meriwether is a Professional Geologist with 12 years of experience in the environmental consulting industry. Serving a wide spectrum of clients, his expertise lies in environmental risk identification, quantification, and management.

PWGC is a partner you can count on for managing your environmental consulting and engineering needs, and achieving your sustainable goals.

PWGC’s Syracuse office is located at Learbury Centre, 401 Salina Street, Suite 406-A, Syracuse, NY 13203 and can be reached by phone at (315) 214-5096 or e-mail at martinm@pwgrosser.com.

## **ABOUT P. W. GROSSER CONSULTING**

PWGC is a multidisciplinary firm founded by Paul W. Grosser, PhD, PE in 1990 providing federal, state, municipal and private clients with quality environmental consulting and engineering services. The firm’s main office is located in Bohemia, NY with branch offices in Syracuse, NY; Seattle, WA; and New York, NY. PWGC has 60+ diverse professionals including civil, chemical, and environmental engineers, hydrogeologists, geologists, environmental scientists and LEED Accredited Professionals.

PWGC has over 20 years of experience specializing in a wide range of services including energy conservation and sustainability; civil/site, water/wastewater engineering; hazardous/non-hazardous waste management; comprehensive environmental/regulatory compliance; redevelopment, site assessments & remediation; natural resource management; and Brownfield redevelopment consulting. PWGC provides these services to a multitude of clients ranging from developers, architects, and financial institutions, to municipalities and federal agencies. Some of our clients include the Allstate Insurance, Fort Ticonderoga, L3 Communication, USDOE at SPRU, Allied Aviation, Suffolk County Departments of Public Works and Health Services, RXR Realty, Allstate Insurance, New York City Department of Design and Construction, Benjamin Development Company, and Brookhaven National Laboratory.
