ABOUT NEW YORK STATE SOCIETY OF PROFESSIONAL ENGINEERS (NYSSPE)

The New York State Society of Professional Engineers is a statewide professional organization with 23 local chapters and over 3,000 members. NYSSPE represents all Engineering disciplines and works to promote and protect the professional interests of all engineers. Additional information may be obtained online from www.nysspe.org.

ABOUT P. W. GROSSER CONSULTING

PWGC is a multidisciplinary firm founded by Paul W. Grosser, PhD, PE in 1990 providing federal, state, municipal and private clients with strategic environmental consulting and engineering solutions. The firm's main office is located in Bohemia, NY with branch offices in Greensboro, NC, Seattle, WA and New York, NY. PWGC has 50+ diverse professionals including civil, chemical, and environmental engineers, hydrogeologists, geologists, and environmental scientists.

PWGC has 20 years of experience specializing in a wide range of services including energy conservation and sustainability; civil/site, water/wastewater engineering; hazardous/non-hazardous waste management; comprehensive environmental, environmental/regulatory compliance; redevelopment, site assessments & remediation; natural resource management; and brownfield redevelopment consulting. PWGC provides these services to a multitude of clients ranging from developers and financial institutions, to municipalities and federal agencies. Some of our clients include the Suffolk County Departments of Public Works and Health Services, Town of Oyster Bay, Village of Lindenhurst, Incorporated Village of Freeport, North Fork Bank, Independence Community Bank, Rechler Equity Partners, Reckson Associates, Allstate Insurance, New York City Housing Authority, New York City Department of Design and Construction and Benjamin Development Company. Additional information may be obtained online from www.pwgrosser.com.
