## ABOUT ZWEIG WHITE

Established in 1988 Zweig White was created to help leaders in the architecture, engineering and environmental consulting industries achieve their business and personal goals. They offer an array of publications, services, and events designed to provide firm leaders with the tools they need to succeed and keep you informed on the latest news, trends, and economic outlook. Additional information may be obtained online from [www.zweigwhite.com](http://www.zweigwhite.com).

## ABOUT P. W. GROSSER CONSULTING

PWGC is a multidisciplinary firm founded by Paul W. Grosser, PhD, PE in 1990 providing federal, state, municipal and private clients with quality environmental consulting and engineering services. The firm's main office is located in Bohemia, NY with branch offices in Greensboro, NC, Seattle, WA and New York, NY. PWGC has 60+ diverse professionals including civil, chemical, and environmental engineers, hydrogeologists, geologists, and environmental scientists.

PWGC has over 20 years of experience specializing in a wide range of services including energy conservation and sustainability; civil/site, water/wastewater engineering; hazardous/non-hazardous waste management; comprehensive environmental, environmental/regulatory compliance; redevelopment, site assessments & remediation; natural resource management; and brownfield redevelopment consulting. PWGC provides these services to a multitude of clients ranging from developers and financial institutions, to municipalities and federal agencies. Some of our clients include the Suffolk County Departments of Public Works and Health Services, Town of Oyster Bay, Village of Lindenhurst, Incorporated Village of Freeport, North Fork Bank, Independence Community Bank, Rechler Equity Partners, Reckson Associates, Allstate Insurance, New York City Housing Authority, New York City Department of Design and Construction and Benjamin Development Company. Additional information may be obtained online from [www.pwgrosser.com](http://www.pwgrosser.com).
